Northern Regions Kart Club win's MSA Award

The NRKC took the honors at the annual MSA Northern Regions Prize Giving on Saturday evening at Wesbank Raceway.

We were awarded the "2006 Best Organising Club for Excellent Administration". The 2006 Vice Chairman Mr. Wayne Riddell collected the award on behalf of the clubs chairman as he was unable to attend the function.

Below is a copy of the MSA Northern Regions Chairman Mr. Glen Rowden's intro to the award:-

"This club have consistently throughout 2006 handled themselves in a professional manner befitting a club of their stature. Although they have not had to submit many SR's throughout the year, they have assisted with many karting events in 2006 with a professional and enthusiastic manner. As they have the largest number of karters with over 245 members, they have never failed to send the relevant information to all their members from International to Club news and were also the driving force behind the Steve Wicks fund, who had being injured in Portugal while covering the Rotax World Finals. In December 2006, they assisted Vereeniging Kart Circuit in hosting a Fun Charity Day for the homeless, providing numerous foods and monies to a Charity of their choice. The award for 2006 Best Organising Club goes to NORTHERN REGIONS KART CLUB."

We want to congratulate all our 2006 members for their support to the club and the 2006 NRKC committee for their hard work and dedication; this is just reward for their efforts,

Congratulations & Well Done to all.
