## MSA KARTING CIRCULAR 1/2008

145112/144

Junior GP competitors are advised that, when the change was made to the new-specification Comer W60 cylinders in 2006, the importer neglected to amend the figure for the transfer port maximum duration.

The correct figure is in fact 117 degrees (not 116 degrees) and a corrected version of the specification is attached hereto.
