MSA KARTING CIRCULAR 2/2008

Ref.145919/144

1. The provisions of the *2008 MSA Karting Regulations* notwithstanding, it is hereby confirmed that the **KF2 & KF3** classes will be allocated **four (4)** heats/races at each of the national championship events in 2008, with the **best 12 (of a possible 16)** heat/race results counting towards each competitor's final championship score.
2. All competitors taking part in the Engen Supa Karts national championship series in 2008 shall be required to display sponsors decals as follows:
 - **ENGEN** decals (x 2) – one on top of the helmet visor and one on top of the number plate/sticker
 - **BRIDGESTONE** decals (x 2) – one on either side of the bib or nose cone (at the competitor's discretion)

The required decals will be supplied by the commercial rights holder for the series (TMRT) and must be displayed at all times during national championship events. Offenders will not be permitted to start a session or heat/race without the required decals being in place, or may be excluded retrospectively from the relevant session or heat/race if necessary.

3. All references to **squish dimensions** for the **Rotax Max classes** in the *2008 MSA Karting Regulations* are **deleted** and the international Rotax Max technical regulations will henceforth apply in this regard.
